ARTICLE 3. Motion by Miles E. Hooker and seconded by Raymond V. Miller and unanimously voted that the reports of the Selectmen, Treasurer and other Town Officers be accepted as printed, with the exception of any typographical errors.

ARTICLE 4. Motion by Everett W. Skinner and seconded by LeRoy B. Wilson and unanimously voted that the town accept the provisions of Chapter 81 of the General Laws.

ARTICLE 5. Motion by Marshall Brown and seconded by Raymond Crowell that the town vote to fix the salaries and compensation of all elective officers of the Town of Plainville, as provided by Section 108 of Chapter 41 of the General Laws, as amended, as follows:

Moderator	\$25.00 each meeting
Town Clerk	650.00 per year
Town Treasurer	1,500 per year
Selectmen, Chairman	700.00 per year
Selectmen, member	600.00 per year
Selectmen, member	600.00 per year

Second Member	200.00 per year
Third member, Secretary	350.00 per year
Auditor	250.00 per year
Constable	2.00 per hour
Tree Warden	2.00 per hour

Mr. Wickman, Tax Collector, moved to amend the salary of the Tax Collector be increased to \$1,500. as printed in the Warrant. Mr. Robert O. Malin, Chairman of the Finance Committee, advised the reason the Finance Committee decreased the salary of the Tax Collector, that the work load of the Tax Collector had been lessened by the State making out the Excise Bills, and the workload of the Tax Collector was not comparable to that of the Town Treasurer.

Mr. Wickman explained his position and reported on salaries of other towns. Mrs. Wickman and Mr. James Cassidy also spoke in his behalf.

The vote taken on the amended Article 5 was not unanimous and was not passed. The vote on the Article 5 as printed in the Town Warrant was passed.

Total	<hr/> \$636,614.67

Gordon Proal at this time made a motion that Section 36 of Article 6, be amended to read \$254,953.18, the original amount requested by the King Philip Regional School District Committee. This was seconded by Erick Sargent. During this very lengthy discussion the Moderator declared a five minute recess.

The meeting was called to order and the question called for. Bancroft Austin moved that a ballot vote be called for, seconded by Raymond Smith. The voice vote was doubted on this motion and a standing vote called for. Result of the standing vote for a ballot vote: Yes 71, No 120. Motion for ballot vote lost.

The vote on the amendment to increase the amount recommended by the Finance Committee to \$254,953.18 was again brought to a standing vote, as the voice vote was doubted. Results of the standing vote on amendment: No 126, Yes 73. Amendment lost.

Vote on the original total of Article 6 in the amount of \$636,614.67 voted by a voice vote, but was not unanimous.

ARTICLE 7. Motion by Bertha Browne and seconded by Robert Malin that no Action be taken on this article, as it is included in the Insurance Account. (Officials Bonds) And unanimously voted.

ARTICLE 8. Motion by Clifton DeMotte and seconded by Everett Skinner and unanimously voted that the Town authorize the Treasurer with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1965 and to issue a note or notes thereof, payable within one year and to renew any note or notes thereof, as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

ARTICLE 9. Motion by Raymond Crowell and seconded by Reginald Keyes that the Town vote to transfer Nine Thousand Nine Hundred and Fifty-five dollars and fifteen cents (\$9,955.15) from Overlay Surplus for a Reserve Fund to provide for the extra-ordinary unforeseen expenses, as authorized by Section 6, Chapter 40, General Laws, and unanimously voted.

ARTICLE 10. Motion by Everett Skinner and seconded by Raymond Smith that the Town accept the provisions of Chapter 90 of the General Laws, and raise and appropriate the sum of \$2,050.00 for the Town's share of Chapter 90 Highway Maintenance and that in addition the sum of \$4,000.00 be transferred from unappropriated available funds in the treasury to meet the State and County's share of the cost of the work, the reimbursement from the State and County to be restored upon their receipt to unappropriated available funds in the Treasury. Unanimously voted.

ARTICLE 11. Motion by Everett Skinner and seconded by Raymond Miller that the town vote to raise and appropriate the sum of \$4,750.00 to meet the Town's share of the cost of Chapter 81 Highways, and that in addition the sum of \$9,900.00 be transferred from unappropriated available funds in the Treasury to meet the State's share of the cost of the work. The reimbursement from the State to be restored upon the receipt to unappropriated available funds in the Treasury.

ARTICLE 12. Motion by Everett Skinner and seconded by Raymond Miller that the Town vote to raise and appropriate the sum of \$12,050.00 to continue the laying out and construction of George Street from Route 1 to School Street, under

Chapter 90 of the General Laws. The money to be raised as follows: \$3,050.00  
the Town's share to be raised and appropriated by taxation and the State and County's share of this work, \$9,000.00 to be transferred from unappropriated available funds in the Treasury. The reimbursement from the State and County to be restored upon their receipt to unappropriated available funds in the Treasury.

ARTICLE 13. Motion by Everett Skinner and seconded by Raymond Miller that the sum of \$5,381.12 be appropriated for the permanent construction of George Street, from Cowell Street to Wampum Street; Wampum Street from George Street westerly 1,000 feet; and the balance of the money to be used on Cowell Street from George Street easterly, and to meet said appropriation the sum of \$5,381.12 be transferred from proceeds received, or to be received from the State under the provisions of Chapter 822, Acts of 1963. Unanimously voted.

ARTICLE 14. Motion by Richard Flynn and seconded by Everett Skinner that the town vote to transfer 986.00 from the Land Damages Account to pay land damages on George Street, and unanimously voted.

ARTICLE 15. Motion by Everett Skinner and seconded by Russell Mulligan and unanimously voted that the town vote to raise and appropriate or transfer \$5,800.00 for the purchase of a new truck for the Highway Department. The money to be raised as follows: Transfer \$3,800.00 from the Road Machinery Account and raise by taxation \$2,000.00 the money to be spent under the direction of the Board of Selectmen and the Highway Superintendent.

Mrs. Brewster Thorburn moved that Article 17 be taken up at this time, seconded by Mr. Charles Margeson. Everett Skinner, Superintendent of the Highway Department read Chapter 40 Section 6H, and its relation to Article 16, and requested that Article 16 be settled before vote on Article 17 is taken. Motion to take up Article 17, not voted.

ARTICLE 16. Motion by Marshall Brown and seconded by Raymond Crowell that NO ACTION be taken on Article 16. After considerable discussion this motion was defeated, and upon a motion by Clifton DeMotte and seconded by Everett Skinner, it was unanimously voted to accept the

provisions of Chapter 40 Section 6H, with the opinion that the Town would gain in the long run with the acceptance of this article.

ARTICLE 17. Motion by Charles Margeson and seconded by Mrs. Brewster Thorburn that the Town vote to accept the layout of Treasure Island Road and Doreen Way, as this article is in violation of the Town By-Laws, which states streets must be brought to grade, and so forth, Moderator Charles Peasley question the legality of this Article. Town Counsel Charles Mason stated that if acceptance would violate a town by-law, this acceptance would not be binding upon the town as the vote could not over-ride a town by-law. Moderator Peasley declared this article as out of order, and no vote taken.

ARTICLE 18. Motion by Robert Malin and seconded by Miles E. Hooker that the town vote to install 2,200 feet, more or less, of water mains, not less than six inches but less than sixteen inches in diameter northerly on Taunton Street, Route 152, starting at Messinger Street, Route 106, to the D. E. Makepeace Company, on the westerly side of Taunton Street, and that a sum not to exceed \$19,000.00 be appropriated for the aforesaid purpose.

That to meet said appropriation, of \$19,000.00 the sum of \$1,814.64 be transferred from the Elementary School Construction Account, the sum of 185.36 be transferred from the Water Main Reserve Account, and the Town Treasurer with the approval of the Selectmen, be and he hereby is authorized under and pursuant to the Massachusetts General Laws, Chapter 44, Section 8, Clauses 4 and 5, and any other law thereto enabling, to issue and sell, at one time or from time to time, serial bonds or notes of the Town in the aggregate principal amount of \$17,000.00, each such issue to be payable over a term not to exceed fifteen years from the date thereof; and that the total proceeds from the transfer of said funds and the sale of said bonds and notes be under the direction of and expended by the Water Commissioners of said Town for the above-named purposes. Unanimously voted.

ARTICLE 19. Motion by Mrs. H. Bertha Browne and seconded by Robert Malin that the sum of \$10,000.00 be transferred from Surplus Revenue for the Stabilization Fund, under authority of Chapter 40 Section 5B of the General Laws, and unanimously voted.

ARTICLE 20. Motion by Clifton DeMotte and seconded by Everett Skinner and unanimously voted that the sum of \$2,500.00 be raised and appropriated for the Fire Alarm Replacement Fund.

ARTICLE 21. Motion by Raymond Crowell and seconded by Raymond Miller that the sum of \$5,000.00 be raised and appropriated for the Fire Department Apparatus Fund. Unanimously voted.

ARTICLE 22. Motion by Richard Flynn and seconded by Everett Skinner and unanimously voted that the sum of \$300.00 be raised and appropriated for Insect Pest Control and No Action be taken for Dutch Elm Disease, as provided under Chapter 132 of the General Laws, as amended by Chapter 657, Acts of 1956.

ARTICLE 23. Motion by Marshall Brown and seconded by Raymond Miller and unanimously voted that the sum of \$20,000.00 be raised and appropriated for the carrying on of the different categories of Welfare.

ARTICLE 24. Motion by Robert Malin and seconded by Russell Skinner that the Town install one light on pole located in the parking lot in the rear of the Town Office Building. The money to pay for same is included in the Street Lights account. Unanimously voted.

ARTICLE 25. Motion by H. Bertha Browne and seconded by Clifton DeMotte that the Town vote to transfer the sum of \$1,000.00 from the Sale of Real Estate Account for the purpose of establishing a Conservation Fund to be used by the Conservation Commission for conservation purposes, including the purchase of land, and unanimously voted.

ARTICLE 26. As there were no recommendations on this article, a motion to adjourn was made by Miles E. Hooker and seconded by Raymond Miller. The Moderator thanked the tellers for their assistance and the meeting was adjourned at 11:30 P.M.

To either of the Constables of the Town of Plainville

Greeting:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in elections and Town affairs, to meet at the Elementary School Auditorium in said Plainville on

MONDAY, JUNE 29, 1964

at 7:30 o'clock p.m., then and there to act on the following articles, viz:

ARTICLE 1. To see whether the Town will vote to approve or disapprove the amount of debt (to wit: \$75,000.00) authorized by King Philip Regional School District Committee at a meeting held on June 12, 1964, for the purpose of securing plans, specifications and other services relating to a junior high school building to be constructed on a parcel of land in Wrentham which is now the property of the present King Philip Regional School District.

ARTICLE 2. To see if the Town will vote under Massachusetts General Laws (Ter. Ed.) Chapter 121, Section 26K, as amended, to establish a Housing Authority and in that connection to make any and all determinations and declarations deemed necessary or desirable, and take any action in relation thereto.

ARTICLE 3. To see if the Town will vote to authorize the Selectmen to file in behalf of the Town, an application (in form and manner required by the United States of America, and in conformity with Public Law 560, Eighty-third Congress, as amended) and to do whatever else may be required to obtain an advance of a sum of money, to be made by the United States of America to the Town of Plainville, to be used to defray

the cost of engineering investigation, report, preliminary plans, contract drawings and specifications for sewerage and sewerage treatment facilities for the Town of Plainville, or take any other action in relation thereto.

And you are directed to serve this Warrant, by posting up seven (7) attested copies thereof in said Town, seven (7) days at least before the time of holding said meeting.

Hereof fail not and make return of this warrant with your doings thereon at the time and place of said meeting.

**MINUTES OF SPECIAL TOWN MEETING****June 29, 1964**

A special town meeting was held in the auditorium of the Plainville Elementary School on Monday, June 29, 1964. Meeting called to order at 7:36 P.M. by Moderator Charles O. Peasley. The call of the meeting was read by Town Clerk, Austin F. Grant.

The following were appointed tellers by the Moderator: Arthur W. Washburn, Jr. and Joseph Canole, right side of the hall. Frederick P. Fluck, and Ralph E. Hemmingsen, Jr., left side of the hall. Town Clerk Austin F. Grant was appointed ballot box officer in the event of a ballot vote.

The bounds of the hall were established as the seats set up on the floor of the auditorium. Persons sitting in bleachers would not be allowed to vote.

The voters were checked into the hall by means of voting lists which showed 100 women and 108 men, a total of 208 voters present.

Motion by Miles E. Hooker and seconded by Raymond V. Miller that as Articles 2 and 3 have no financial appropriations connected with them that these articles be considered first. Voted but not unanimously.

ARTICLE 2. Motion by Miles E. Hooker and seconded by LeRoy B. Wilson that where there exists in the Town of Plainville a shortage of safe sanitary dwellings available for families of elderly persons of low income at rentals they can afford, and that whereas it is hereby determined that a Housing Authority is needed for the provisions of housing for families or elderly persons of low income, that the Plainville Housing Authority shall be organized and established under the provisions of Massachusetts General Laws (Ter. Ed.) Chapter 121, Section 26K, and acts in amendment thereof and in addition thereto. Unanimously voted.

ARTICLE 3. Motion by Raymond V. Miller and seconded by Daniel T. Malone that the town vote to authorize the Selectmen to file in behalf of the town, an application (in form and manner required by the United States of America, and in conformity with Public Law 560, eighty-third Congress, as amended) and to do whatever else may be required to

obtain an advance of a sum of money, to be made by the United States of America to the Town of Plainville, to be used to defray the cost of engineering investigation, report, preliminary plans, contract drawings and specifications for sewerage and sewerage treatment facilities for the Town of Plainville. Voted but not unanimously.

A motion by Raymond Crowell that the meeting be adjourned until 8:50 in order that Article 1, King Philip Regional School District Committee approval or disapproval of vote be discussed in a hearing. Voted but not unanimous.

Hearing held for discussion of Article 1, King Philip Regional School District Committee approval or disapproval of vote of committee.

Meeting called to order at 8:52 P.M. and Moderator allowed discussion on Article 1 as written.

ARTICLE 1. Motion by Eric Sargent and seconded by John Haley that the Town approve the amount of debt (to wit: \$75,000.00) authorized by the King Philip Regional School District Committee at a meeting held on June 12, 1964, for the purpose of securing plans, specifications and other services relating to a junior high school building to be constructed on a parcel of land in Wrentham, which is now the property of the present King Philip Regional School District. As the voice vote was doubted, Reginald Keyes moved that a written vote be taken. Results of written vote: No 147; Yes 60. Motion to approve lost.

Upon motion by Reginald Keyes and seconded by Arthur W. Washburn, Jr. that the meeting be adjourned at 9:30 P.M. Unanimously voted.

FOR STATE ELECTION

Tuesday, November 3, 1964

THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To Either of the Constables of Plainville:

GREETINGS:

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the legal voters of the Town of Plainville to meet in Auditorium of Plainville Elementary School, South Street, in said Plainville, on

TUESDAY, THE THIRD DAY OF NOVEMBER, 1964, A. D.

at 8:00 o'clock in the forenoon, it being the Tuesday after the first Monday in said month, then and there to give their votes for the following officers:

Presidential Electors	For President and Vice President
Senator in Congress	For this Commonwealth
Governor	For this Commonwealth
Lieutenant Governor	For this Commonwealth
Attorney General	For this Commonwealth
Secretary of the Commonwealth	For this Commonwealth
Treasurer and Receiver-General	For this Commonwealth
Auditor of the Commonwealth	For this Commonwealth
Representative in Congress	For 10th Congressional District
Councillor	For Second Councillor District
Senator	For Second Norfolk Senatorial District
One Representative in General Court	For 10th Norfolk Representative District
Clerk of Courts	For Norfolk County
Register of Deeds	For Norfolk District
Two County Commissioners	For Norfolk County

And also to vote "YES" or "NO" on the following questions:

**QUESTION NO. 1**

**PROPOSED AMENDMENT TO THE CONSTITUTION**

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held March 29, 1961, received 219 votes in the affirmative and 26 in the negative, and in a joint session of the two branches held May 8, 1963, received 244 votes in the affirmative and 14 in the negative?

YES	
NO	

**Summary**

The proposed amendment provides that the terms of office of the Governor, Lieutenant Governor, Secretary of the Commonwealth, Treasurer and Receiver General, Attorney General and Auditor shall be four years. Executive Councillors, Senators and Representatives shall continue to serve for two years. The four-year term for constitutional officers would become effective at the time of the November election in the year 1966.

**QUESTION NO. 2**

**PROPOSED AMENDMENT TO THE CONSTITUTION**

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held July 18, 1962, received 238 votes in the affirmative and 1 in the negative, and in a joint session of the two branches held May 8, 1963, received 246 votes in the affirmative and 2 in the negative?

YES	
NO	

**Summary**

In the event that any public office, whether elective or appointive, shall become vacant as a result of enemy attack, the proposed amendment would enable the General Court to provide for prompt and temporary succession to the powers and duties of such offices, and to take steps to insure continuity of government of the Commonwealth and its political subdivisions.

**QUESTION NO. 3**

**PROPOSED AMENDMENT TO THE CONSTITUTION**

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held March 29, 1961, received 251 votes in the affirmative and 0 in the negative, and in a joint session of the two branches held May 8, 1963, received 252 votes in the affirmative and 3 in the negative?

YES	
NO	

### Summary

The proposed amendment provides that the credit of the Commonwealth may be given, loaned or pledged only by a two-thirds vote of each branch of the Legislature. In no event shall the credit of the Commonwealth be given or loaned to or for any individual, private association or corporation privately owned or managed.

## QUESTION NO. 4

### PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held July 18, 1962, received 220 votes in the affirmative and 24 in the negative, and in a joint session of the two branches held May 8, 1963, received 258 votes in the affirmative and 1 in the negative?

YES	<input type="checkbox"/>
NO	<input type="checkbox"/>

### Summary

The proposed amendment authorizes both the Governor and the Executive Council to require opinions of the Justices of the Supreme Judicial Court on questions of law. The present requirement that the Governor and Council agree before a question may be submitted would be annulled.

## QUESTION NO. 5

### LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below which was disapproved in the House of Representatives by a vote of 109 in the affirmative and 109 in the negative and was disapproved in the Senate by a vote of 16 in the affirmative and 20 in the negative?

YES	<input type="checkbox"/>
NO	<input type="checkbox"/>

### Summary

The proposed measure provides that henceforth appointments in the executive branch of the government shall not require the advice and consent of the Governor's Council. Exceptions to this provision include appointments to the Youth Service Board, Industrial Accident Board, Commission of the Department of Public Utilities, Parole Board and Appellate Tax Board, which appointments shall continue to require Council action. However, should the Council fail to act upon such appointments within thirty calendar days, then the person involved shall be deemed to have been lawfully appointed. Any appointments in the

executive branch by an officer other than the Governor which heretofore required Council approval shall henceforth require approval by the Governor.

Removals from office shall no longer require the advice and consent of the Council, except in the case of the Youth Service Board, which removals must still receive Council approval. As in the case of appointments still requiring Council approval, such recommended removal from the Youth Service Board must be acted upon by the Council within thirty calendar days; otherwise the proposed removal shall become effective as if approval had been given. In the case of any appointment which heretofore required Council approval the Governor may, within fifteen days of the making of the appointment, remove the person appointed without cause.

The Council shall no longer be required to approve the fixing of any compensation for services rendered in the executive department. And henceforth there need be no approval by the Council of actions or agreements by executive officers, including but not limited to borrowings and loans, investments, leases, licenses, purchases and conveyances, and contracts, and also including the promulgation of rules and regulations.

Notwithstanding the foregoing, the Governor shall at all times remain free to seek the advice and consent of the Council upon any matter.

**QUESTION NO. 6**

**LAW SUBMITTED UPON REFERENDUM AFTER PASSAGE**

Do you approve of a law summarized below, which was approved in the House of Representatives by a vote of 180 in the affirmative and 40 in the negative and was approved in the Senate by a vote of 28 in the affirmative and 5 in the negative?

<b>YES</b>	
<b>NO</b>	

**Summary**

Under the Act, effective as of January 1, 1964, each member of the General Court shall receive seventy-eight hundred dollars for each regular annual session, the President of the Senate and Speaker of the House of Representatives shall each receive the same amount as additional compensation, and the floor leaders of each of the major political parties in the Senate and the House, the Chairman of the Senate Committee on Ways and Means and the Chairman and Vice-Chairman of that committee of the House, shall each receive thirty-nine hundred dollars as additional compensation, to be paid as provided in the Act. After the same date the annual expense allowance is to be six hundred dollars for each member and the travel allowance is to be eight cents per mile with a stated minimum and an alternative, and a member chosen to fill a vacancy or who resigns during a session is to be entitled to per diem com-

pensation at the rate for each regular annual session and to the allowances for travel and other expenses for the time of his membership.

It is also provided that in addition to the compensation for the 1963 annual session the President of the Senate and the Speaker of the House shall be paid thirty-nine hundred dollars, the floor leaders of each major political party in the Senate and House, the Chairman of the Senate Committee on Ways and Means and Chairman and Vice-Chairman of that committee of the House, shall be paid twenty-nine hundred and twenty-five dollars and each other member shall be paid nineteen hundred and fifty dollars. Each member shall also be entitled to an additional expense allowance of two hundred dollars for the calendar year 1963 and the travel allowance shall be at the rate of eight cents per mile with a stated minimum and an alternative for the balance of the calendar year 1963.

QUESTION NO. 7

A. Shall licenses be granted in this city (or town) for the sale therein of all alcoholic beverages (whiskey, rum, gin, malt beverages, wines and all other alcoholic beverages)?

YES	<input type="checkbox"/>
NO	<input type="checkbox"/>

B. Shall licenses be granted in this city (or town) for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages)?

YES	<input type="checkbox"/>
NO	<input type="checkbox"/>

C. Shall licenses be granted in this city (or town) for the sale therein of all alcoholic beverages in packages, so-called, not to be drunk on the premises?

YES	<input type="checkbox"/>
NO	<input type="checkbox"/>

For these purposes the polls will be open from 8:00 o'clock a. m. to 8:00 o'clock p. m.

Hereof fail not and make return of this Warrant with your doings thereon at the time and place of said meeting.

Given under our hands this 21st day of October in the year One Thousand Nine Hundred and Sixty-four.

To see whether the Town will vote to approve or disapprove the amount of debt (to wit: \$1,850,000.00) authorized by the King Philip Regional School District Committee at a meeting held on October 19, 1964, for the purpose of acquiring land for school sites and for planning, constructing, and equipping a regional junior high school building, to be used for the following purposes: \$22,000.00 for the acquisition of a school site in the Town of Plainville, consisting of a parcel of land approximately 22 acres, on the north side of Messenger Street (Route 106), now or formerly owned by the Town of Plainville and extending east about 600 feet from a point approximately 1200 feet from the intersection of Routes 152 and 106, bordered by land owned by the Town of Plainville and the Parriseau family on the north and east;

\$30,000.00 for the acquisition of a school site in the Town of Norfolk consisting of a parcel of land about 36 acres more or less on the north side of King Street extending west about 1000 feet from the intersection of Union and King Streets, said parcel of land being part of the Carlson tract, so called.

\$1,798,000.00 for planning, constructing, and equipping a Junior High School building on the parcel of land in Norfolk hereinbefore described.  
(2/3 vote required)

ARTICLE 2. To see if the Town will vote to raise and appropriate the sum of \$2,500.00 to make repairs on Treasure Island Drive and Doreen Way in accordance with the provisions of Section 6H of Chapter 40 of the General Laws, or take any action in relation thereto. (A Petition).  
(2/3 vote required)

ARTICLE 3. To see if the Town of Plainville will vote to extend the water main, not less than 6 inches in diameter but less than 16 inches in diameter with cast iron, cement lined pipe, a distance of 600 feet, more or less, from Bugbee Street northerly to Brunner Street, and to raise and appropriate a sum of money to pay for same, or do or act in any manner relative thereto. (A Petition.)  
(2/3 vote required)

And you are directed to serve this Warrant, by posting up seven (7) attested copies thereof in said Town, seven (7) days at least before the time of holding said meeting.

Hereof fail not and make return of this warrant with your doings thereon at the time and place of said meeting.

Given under our hands this 4th day of November in the year of Our Lord one thousand nine hundred and sixty-four.

## MINUTES OF SPECIAL TOWN MEETING

November 16, 1964

A special town meeting was held Monday, November 16, 1964 in the auditorium of the Plainville Elementary School. The meeting was called to order at 7:35 P.M. by Moderator Charles O. Peasley, the voters were checked into the hall by Robert Keniston (R) and Marion McCabe (D) and the total count of voters present was 103 men and 84 women, 187.

The call of the meeting was read by Town Clerk Austin F. Grant.

Tellers were appointed by Moderator: right side of the hall, Francis McCabe, David Lomasney; left side of hall, Earl R. Bennett and Arthur W. Washburn, Jr.

Austin F. Grant, Town Clerk, was appointed ballot box officer in the event of a ballot vote.

Bounds of the hall to be the seats set up on the floor of the auditorium.

ARTICLE 1. Motion by Robert O. Malin and seconded by Richard Flynn that the town vote to approve the amount of debt (to wit: (\$1,850,000.00) authorized by the King Philip Regional School District Committee at a meeting held on October 19, for the purpose of acquiring land for school sites and for planning, constructing and equipping a regional junior high school building:

\$22,000.00 for the acquisition of a school site in the Town of Plainville, consisting of a parcel of land approximately 22 acres, on the north side of Messenger Street (Route 106), now or formerly owned by the Town of Plainville and extending East about 600 feet from a point approximately 1200 feet from the intersection of Routes 152 and 106, bordered by land owned by the Town of Plainville and the Parriseau family on the north and east;

\$30,000.00 for the acquisition of a school site in the Town of Norfolk consisting of a parcel of land about 36 acres more or less on the north side of King Street extending west about 1000 feet from the intersection of Union and King Streets, said parcel of land being part of the Carlson tract, so called.

\$1,798,000.00 for planning, constructing, and equipping a Junior High School building on the parcel of land in Norfolk hereinbefore described.

A voice vote was taken on this article; it was voted but not unanimously.

ARTICLE 2. Motion by George Ireland and seconded by Robert O. Malin that the town vote to raise and appropriate the sum of \$2,500.00 to make repairs on Treasure Island Drive and Doreen Way in accordance with the provisions of Section 6H of Chapter 40 of the General Laws. The result of the vote on this petitioned article was unanimous.

ARTICLE 3. Motion by Robert O. Malin and seconded by Raymond V. Miller that the Town vote to extend the water main, not less than six inches in diameter but less than 16 inches in diameter with cast iron, cement lined pipe, a distance of 600 feet, more or less, from Bugbee Street northerly to Brunner Street and to raise and appropriate the sum of \$5,400.00 to pay for same.

The vote on this petitioned article, as the voice vote was doubted, a standing vote was called for; result of standing vote: Yes 147, No 10. Motion carried.

At 7:48 P.M. a motion by Raymond V. Miller to adjourn was unanimously voted.

AUSTIN F. GRANT, Town Clerk

**REPORT OF THE PLANNING BOARD**

Honorable Board of Selectmen

Gentlemen:

Planning Board activities for the past year have been for the most part centered around our new proposed Zoning-By-Law.

It is our fervent hope that on this January 25th at a special town meeting called for at the request of the Planning Board the townspeople will approve Article I, "Zoning".

Our appropriation of seven hundred and fifty dollars was used to defray the cost of printing reports, maps, by-laws, street layout maps and the new Sub-division rules and regulations that were adopted by the Planning Board last April.

On behalf of the other members and myself I would like to thank all departments for the excellent co-operation and assistance extended to us this past year.

Respectfully submitted,

EARL W. PECK, Chairman  
Plainville Planning Board

## REPORT OF THE CONSERVATION COMMITTEE

To the Honorable Board of Selectmen

Gentlemen:

The Conservation Committee has been meeting once a month through the year with special meetings as they seemed desirable. We have been trying to organize and plan out an overall layout for the town conservation area. It is quite a project and requires a considerable amount of time as well as conferences with other bodies at the local level and with the state.

It is the feeling of the committee that as much of the area as possible be kept in its natural state. However, to have the conservation land adapted to a multi-use program, certain areas will have to be developed for recreation areas. These recreation areas will be developed for camping, picnicking, etc. Also trails will be worked out for those desiring them for nature walks, birdwatching and other such uses.

We have had two signs painted to post on the area as you approach from either direction on George Street. These signs say: "Conservation Area, Plainville, Mass. For you to use—not abuse."

The Boy Scouts have cleared brush along present paths in the area. Two scouts working with the chairman for their Conservation badges, have put in two water bars on a hill in one roadway to turn the water off the roadway, thus stopping erosion.

During the Spring, the Girl Scouts have worked with the committee cutting brush and trimming permanent trees along the border of George Street. They did an excellent job clearing out about two acres of land except for large trees which were removed later.

The committee has been very interested in the flow of water in the old mill brook. This has been an exceptionally dry summer and at no time has the brook dried up. The flow has been reduced through the severest of the drought but has consistently maintained a flow which runs into Turnpike Pond and the town well field. By maintaining forest cover in our conservation land, we hope to be able to increase this flow of water.

During this late fall more work has been done in weeding and thinning the area we plan to use as a picnic and camping area. This work has improved about five acres and has made a good supply of firewood salvaged from dead and weed trees taken out. This will be cut and stored for the use of picnickers and in campfires.

The committee would be pleased to have the townspeople inspect the area and offer suggestions to your committee.

## REPORT OF THE LIBRARY TRUSTEES

To the Honorable Board of Selectmen

Gentlemen:

The past year has been mainly devoted to strengthening the book collection with particular attention to the juvenile level. A new World Book Encyclopedia was purchased and we are continuing to buy starred titles from the Children's Catalog to improve the quality of the basic collection. An effort is made to acquire as many titles which are on the King Philip reading lists as possible. The program of maintenance is continuous. Two new sections of shelving have been placed in the adult non-fiction room. The library is a busy place with 1324 active borrowers using a collection of 8340 books.

**REPORT OF THE PARK DEPARTMENT**

To the Honorable Board of Selectmen

Gentlemen:

The Plainville Park Department has had a 1964 full of achievement and purpose. Our two park supervisors, Miss Mary Fiumara and Mr. Wayne Newman conducted an excellent waterfront program. Miss Jill Lomasney using skill and imagination ran an interesting 'Arts and Crafts' program. Our thanks to Mr. Everett Skinner, Highway Superintendent, for the many hours spent on improvement of the park.

Improvements to the park have included the rebuilding of the pavilion into a crafts center with space for storage. The Bacon Memorial watering trough has a new location at the entrance to the park. The school-house bell which tolled the hour for many years has been erected at the Park.

During the extreme drought experienced in Plainville, the back pond was cleaned and graded to a uniform depth. This was a community effort and our thanks to all taking part.

The Park Commissioners call to everyone's attention two pressing problems of the recreational program. The lack of a reliable water supply for the swimming pool and the need of area playgrounds.

Expended for 1964 the sum of	\$4,203.03

## REPORT OF THE SCHOOL BUILDING COMMITTEE

The School Building Committee invited bids on the new school with sub-bids opened February 11 and general bids February 18, 1964. Bids were higher than the committee expected so all bids were rejected. Invitations were then invited on an 8-room building with 2 additional rooms as an alternate. Sub-bids were opened March 17 and general bids March 24. Prices were within the range the architect and the committee felt reasonable so the low bid by the LaPlante Construction Corporation was accepted. Alternates accepted made it possible to build a ten-room building. Test borings and other tests were made and construction began in April. On May 6, the school building committee met with the School Building Assistance Commission and the Emergency Finance Board for final approval of the building plans and the financing plan.

Through the cooperation and endeavors of the Water Department and Water Commissioners, water was made available early in June and serious construction began. Delays in steel delivery and roofing made the hiring of a "clerk-of-works" unwise but supervision by the architect and his representatives is part of the contract. Weekly inspections and reports to the building committee, plus visits by members, have served to keep the committee informed as to progress on the project. While it is difficult to determine percentage of construction, the building was almost completed by February 15 and should be ready for the Town before August 1, 1965. September 1965 occupancy should be no problem barring unseen emergencies. While it may be premature, the building committee believes that the Town is getting a functional, economical elementary school building of which it can be proud.

**REPORT OF WATER COMMISSIONERS—1964**

To the Honorable Board of Selectmen

Gentlemen:

Following is the report of the Water Department for year ending 1964.

On January 16, 1964 bids were opened for the Special APW Mass-57G Water Project, in the assembly room of the Fire Station, rather than the Town Office, due to the number of bids received.

Much time and work was required on this project during the year. All but one of the four contracts awarded has been approved by HHFA. Due to late starting and cold weather the work cannot be resumed on the standpipe until April 1965.

At such time as the APW Project is accepted and turned over to the town, an open house at the Well Site will be held.

On March 4, 1964 bids were opened for the water main installation on Taunton Street from 106 northerly and awarded to Joseph T. Iacuzzi, with work having been completed. In the best interest of the town, the Water Commissioners allowed the Plainville Realty (Adams) to cross the Ashman property with installation of approximately 4000 feet of water mains, proper tie in and hydrants as called for in the specifications of the Water Department, and daily inspections by Mr. French.

Water is being furnished to the town of North Attleboro, via Taunton Street (Kelly Boulevard) through North Attleboro Water Dept., meter pit, at the town line. A contract having been drawn up with North Attleboro Water Dept., Commissioners on August 26, 1964, to sell water for the same cost as Plainville is paying them. Contract to expire on the same date (1967) as the North Attleboro contract to Plainville, in order that both contracts may be agreed upon at the same time.

On December 9, 1964 bids were opened in the Town Office for a new water main on Grove Street, for which \$5,400.00 had been voted at a Special Town Meeting on November 23rd. The bid was in the amount of \$5,210.00 due to gravel and black top being required. The Commissioners wrote up specifications to save additional engineering fees of 20% of the contract price. Road resurfacing will be completed in early summer.

At the time of main installation on South Street, nine old services were renewed. A total of twenty-two new services were installed during the year.

We wish to thank Mr. Everett Skinner for his faithful work for this department, the Highway Dept., Selectmen, Treasurer, also the townspeople, North Attleboro Water Dept., for the cooperation rendered this board during the year.

**REPORT OF THE POLICE COMMISSION**

To the Honorable Board of Selectmen:

Gentlemen:

As everyone knows the Police Department suffered a real crisis with the loss of our beloved and devoted Chief, Ernest LaPorte, which proved to be a great loss to the town and the Dept., and to us, a great loss of a friend. His devotion to the Dept. and Town was unquestionable. His love of children and their love for him was quite in evidence.

Upon assuming our duty in March, our misfortune and problems were too numerous to put into this Report. As everyone knows the Commissioners and the Board of Selectmen spent hours and days and weeks to obtain a new Chief, and feel we are extremely fortunate to have the services of Chief Phillip MacKenzie whose experience and educational background is of the highest. Chief MacKenzie was born in Norwood, Mass., graduated from Norwood High School; Commonwealth of Massachusetts Correctional Officers Training Program; Graduate of California Peace Officers Academy; Pomona Police Academy; Sacramento State College-Business Administration Course; Six-month Course Mt. San Antonio Junior College, Walnut, California in Police Administration; Six-month Course in State and Federal Law; Thirteen-week Course in Traffic Engineering, California Highway Patrol at Pomona Police Academy. He is the husband of Joan Bourbeau and they have 3 children.

Each year the work done by the Police Dept. has increased. This year was no exception with the opening of Route 95 which produced a traffic problem at the junction of Route 152 and 106 for which we had installed a lighting system to insure the safety of our Police officers on duty. This year we obtained a Police cruiser built and designed for Police work and have noticed a substantial difference in its availability and with a minimum amount of maintenance cost. A new radio antenna was installed at the Police Station which greatly increased our reception. Installed a new dispatching service for greater efficiency on emergency calls, plus the record system was revamped and a new filing cabinet purchased for better efficiency. A new Penetrator Siren was installed on the Cruiser which included a P. A. system. Also obtained were fluorescent safety belts for the department plus a new blanket for the Cruiser to be used for accident victims.

It was published in the newspaper the Wrentham lockup facilities were to be denied the Town of Plainville, because of the inconveniences incurred on the Wrentham Police Dept. We are happy to inform that this service is again available to us with the understanding that we provide our own lockup keeper.

We wish to extend our sincere thanks and appreciation for the assistance and cooperation throughout the year to Chief Clarence Skinner and the Fire Dept., Highway Superintendent Everett Skinner and Dept., Mrs. Bessie Barton, Special Officer Mrs. Ruth Fulton, Board of Select-

men and the men of the Plainville Police Dept.

It is my pleasure to express my thanks and appreciation to the fine people of the Town of Plainville for the warm reception and good wishes I have received upon coming into the Town as a new citizen and Chief of the Police Department and to express my gratitude to the Honorable Board of Selectmen and the Police Commission for the consideration given to my application for this position. Be assured that I will try to be worthy of the great trust placed in my care and live up to my obligations of maintaining a Department that the citizens and the employees will be justifiably proud of.

All undertakings and decisions made in my capacity of Chief of Police will be made with consideration to the benefit to the Town and the progress of the Police Department as it is my feeling that the existence of a Police Department is justified solely on the basis of its service to the community.

I wish also to express my appreciation to the present members of the Police Department, both permanent officers and special officers, for their kind willingness to work with me.

Respectfully submitted,

PHILLIP R. MacKENZIE,

Chief of Police

**REPORT OF WIRE INSPECTOR**

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report as Inspector of Wires for the Town of Plainville for the year ending December 31, 1964.

87 permits were issued and \$87.00 in fees turned over to the Town Treasurer.

In making my report I would like to take this opportunity to thank the Board of Selectmen, Town Departments, Contractors and the Townspeople for the cooperation given me during the year.

Respectfully submitted,

EARL J. LAVIN,  
Inspector of Wires

---

**REPORT OF THE BUILDING INSPECTOR**

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report for the year ending December 31, 1964.

A total of seventy-three permits were granted for the estimated cost of \$810,376.46.

32 Dwellings

11 New Business and Additions to present Business  
Establishments

23 Additions to Dwelling

1 New Elementary School

I granted three permits to move buildings and three permits to raze buildings.

I wish to bring to the attention of all contractors or any person contemplating constructing, altering or razing a building, that a permit must be obtained before the project is started. Also that an occupancy inspection must be made before any home or building can be occupied.

Again I wish to thank the contractors, townspeople, Board of Selectmen, Planning Board, Fire Chief Skinner and the Appeals Board for their cooperation during this past year.

Respectfully submitted,

CLINTON E. BARTON, SR.,  
Building Inspector

**REPORT OF SANITARY INSPECTOR**

To the Honorable Board of Selectmen

Gentlemen:

Sewage disposal systems at all new building starts were designed as a result of determination of porosity of soil, depth to ground water and surrounding surface runoff of storm water. Requirements of adequate disposal is also dependent on estimated daily flow based on size and use of building proposed. Inspection is made before backfill to assure specifications have been met, progress inspections are also made if considered advisable.

Bacteriological analysis was made of water in Town Pool during season on weekly basis and any drains, streams or suspicious flows investigated at discretion of Town Officials or Sanitary Inspector.

Proposed subdivisions are closely investigated to determine drainage, soil conformation and porosity, and each lot is tested separately and permit for each lot, there are no blanket approvals of all lots.

Inspection and bacteria swab counts of utensils were made at eating and drinking establishments, and rechecks as found necessary to maintain required standards.

Respectfully submitted,

PUTNAM STEELE, R. S.,  
Sanitary Inspector

Paid Town Treasurer	33.00

Respectfully submitted,

EARL B. THOMPSON,  
Milk Inspector

**ANNUAL REPORT OF THE BOARD OF APPEALS**

To the Honorable Board of Selectmen:

Gentlemen:

We are pleased to submit the following report of the Board of Appeals for the year ending December 31, 1964.

The board held eight public hearings during the year. Four of these hearings included requests to locate and reside in Mobile Homes located on private property. One of these requests was withdrawn, one was turned down, and two were approved on a temporary basis. Of the other four hearings, two involved variances in the minimum lot frontage and the minimum lot size regulation, and two involved variances in the front property line and the 20' setback regulations. All four of these requests were approved.

The board was sorry to lose the services of Daniel Malone who resigned during the year. Mr. Robert Keniston was appointed by the Board of Selectmen to fill this vacancy.

We wish to thank the Town Counsel and the other Town Departments for their assistance during the past year.

Respectfully submitted,

ROBERT W. HAYES, Chairman  
MELVIN F. DWYER, Secretary  
ROBERT KENISTON

**REPORT OF THE OFFICE OF CIVIL DEFENSE**

**For the Year 1964**

To the Honorable Board of Selectmen

Gentlemen:

Civil Defense has had an uneventful year with no national or natural disasters. Civil Defense must depend on an interested citizenry if it is

to be effective. In our community we need a public awakening to the importance of maintaining a strong and alert organization. Our two most important needs are: trained manpower and a control center.

**REPORT OF THE FIRE ENGINEERS**

To the Honorable Board of Selectmen

Gentlemen:

We hereby submit our report for the year ending December 31, 1964.

Buildings	34
Grass and Brush	86
Auto (fire and accident)	21
Mutual Aid	9
Lost Children	3
Lockouts	3
Rescue	2

Transportation and First Aid	12
Flooded Cellars	2
Practices and Meetings	25
Miscellaneous	40
False Alarms	5
	<hr/>
Total Calls	242

Also, one hundred and twenty-six (126) Ambulance runs were made during the year.

Many hours were spent inspecting Schools, Churches, Rest Homes, Business Establishments and homes during the year. Also, fire drills were conducted at all schools during the year.

Many hours were also spent investigating fires and complaints throughout the year, with a large assist from the two Deputies.

The C. D. Auxilary Fire Dept. continues to spend many hours on practicing station coverage and fire fighting. They have proven to be a big asset to the regular fire department.

The Rescue Truck, purchased by the men of the department last year, is now fully equipped and has proven to be most valuable and effective.

We recommend that the Town of Plainville contract to buy a mechanical ladder truck this year. The price not to exceed \$35,000.00.

We recommend that \$2,500.00 be added to our Fire Alarm Replacement Fund, continuing the program started last year.

We also recommend that a permanent daytime fire department be established this year. We feel that a three-man force would best serve the needs of the Town at this time.

We wish to express our thanks to you, the Officers and men of the Department, neighboring fire departments, the Police Department, and the Highway Superintendent and his men, and all other persons who cooperated and assisted us so well during the past year.

Respectfully submitted,

**REPORT OF THE VETERANS' AGENT**

To the Honorable Board of Selectmen

Gentlemen:

The year has seen an increase in the number of cases the Veterans' Department has handled that has entailed the spending of money other than Emergency cases.

Cases were thoroughly investigated and some were kept on an emergency basis until their status changed.

There has been a general increase of five percent across the board for 1965.

I wish to thank the Board of Selectmen, Finance Committee, Police Department, Superintendent of Highways and Mrs. Clinton Barton, whose help was invaluable, and all others who in any way helped me during the past year.

**REPORT OF TOWN COUNSEL**

To the Honorable Board of Selectmen

Gentlemen:

There are no cases presently pending in any Court, either for or against the Town.

In addition to many Opinions given to Town Departments for the year 1964, legal activity was required in connection with the Water Department Expansion, the acquisition of the Messinger Street property for the school.

There are presently in process, the acquisition of the Garford property which has been delayed by title difficulty which will take several months still to complete.

Among recommendations for the year 1965 would be:

1. The Registration of the title to the school property on Messinger Street.
2. A search and abstract of the land records at the Registry of Deeds in Dedham with a view towards compiling a list of Town property and the source of the Town's title.
3. The adoption and publication of rules and regulations by the Board of Health.
4. The adoption of plumbing regulations.
5. The gathering together of the Town's By-Laws and all other Ordinances, By-Laws and Regulations of Town Departments, and Committees, Rules and Regulations so that in one volume there would be easy reference to the same.

Plainville has continued to enjoy a relatively litigation free period due in great measure to its civic minded citizenry and in particular to the diligence and selflessness of its Town Officials.

Respectfully submitted,

CHARLES R. MASON,  
Town Counsel

## REPORT OF THE SCHOOL COMMITTEE

To The Citizens Of Plainville:

This fall the Plainville Elementary School is overcrowded with 600 pupils in 20 classrooms; in each of six classrooms there are more than 35 pupils. To help maintain educational standards under these conditions a part-time assistant teacher has been used to help the three regular 2nd Grade teachers. Departmentalization in Grades 5 and 6 has improved instruction in these grades. The entire School Department is looking forward to next fall when 10 more classrooms will be available in the new school.

Scores on the Science Research Associates tests last March showed that on the average the Plainville Elementary School students were again well above national normals. Testing covered Arithmetic and the Language Arts.

The school building and grounds are in excellent condition. As a result of the policy of continual maintenance no major expenditures are anticipated.

The School Committee wishes to thank the administrative staff, the teachers and supervisors, nurse, custodians, lunchroom staff and bus drivers for their contribution in making another successful year for the Plainville Elementary School.

Special acknowledgement is made to the Mothers who volunteered their time in the library program. The Committee is grateful to the P.T.A. for maps, globes and books, and the Teachers Club for their donation of books for the library.

Respectfully submitted,

HARRY A. SCHOENING, JR., Chairman

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Plainville School Committee:

I hereby submit my fifth annual report on the Plainville Public Schools grades 1—6 with a great deal of pride in what has been accomplished this year. The cooperation of the school committee, teachers, supervisors, custodians, lunchroom personnel, school secretary, nurse, P.T.A. and citizens has been outstanding and the key factor to our good program.

State Aid

One of the greatest problems at the present time in Massachusetts education is that of the source of funds. Costs of schools are going up all the time. There are demands for longer school days, longer school years, school for younger children and school for older children. New programs, new equipment, new space all cost more. Massachusetts, more than any other state, depends on the local property tax to provide the bulk of the funds needed to educate its children. Poor communities, needing the best education, have the least money and wealthy communities already having the best education often support these programs with little effort. To say that “it all comes from the same pocket” is not the answer. We must look for some sort of equalization formula that will make help available where needed and when needed so that all children will have an equal educational opportunity.

Enrollment

On October 1, 1964, 601 pupils were enrolled in twenty classes. A comparison of 1964 with 1965 projections is made below:

Grade	1964	1965
1	115	130
2	102	115
3	108	102
4	82	108
5	111	82
6	83	111
	601	648

Six classes have 36 or more pupils. To reduce class sizes to a reasonable number will require at least four and possibly five new classes in September 1965.

**Teaching Staff**

Although only two teachers who were with us in June 1964 left our system, several changes were made in assignments for September 1964. Mr. Earl Cowan and Miss Lydia Palmer left at the end of the school year. We lost one of the best first grade teachers I have ever been associated with in Miss Palmer who went to Raynham for more money and to be nearer home. We were very fortunate to get Mrs. Helen McGowan Chaney, a former Plainville resident as an excellent replacement. Miss Nancy Peters, a graduate of Wilson College in Chambersburg, Pa. with two years experience teaching third grade was hired to teach that grade. Other changes are tabulated below:

Mrs. Phyllis Martin	from Grade 1 to Grade 6
Mrs. Mary Alice Sargent	Grade 3 to Grade 1
Mr. John Borgal	Grade 6 to Grade 5
Mrs. Cynthia Cargill	Grade 2 to Grade 3
Mr. Edward Keaney	Grade 4-5 to Grade 5-6

**School Facilities**

Space was adequate through June 1964 with no real overcrowding but in September 1964 several classes were oversized. Grades 5 and 6 were departmentalized and if necessary an additional group could have been formed to use the library, all-purpose room, gym or playground while the other groups were in classrooms. Miss Lillian Ardrey was hired as a teacher aide to work mornings with small groups of second graders to alleviate the situation there. Barring some unforeseen event these measures will see us through June.

**Grouping**

It has been difficult to maintain the so-called homogeneous groups and no attempt was made to group the second grade this way as there will be four sections next year rather than the three this year. The two buildings next year may make this type of grouping impractical. Team teaching or an ungraded organization offers more hope for the future. The small number of pupils in Plainville makes individualized instruction and small group instruction appear as the most feasible program.

**Special Education**

Every town is required by State Law to educate every person in town between the ages of 7 and 16. Certain pupils must receive special education if over 5 such pupils live in town. We have provided this opportunity through classes. All expenditures under these programs are reimbursed by 50% state funds. Money invested that makes each person self supporting is money well spent as all citizens know.

### **Transportation**

Sixty percent of our pupils are transported on 7 buses this year. Our buses are permitted to carry from 73 to 82 pupils and most are loaded near capacity. Distance, safety, age and condition of the child are all factors in determining whether to transport or not. Our present contract with Walter Holmes runs through June 1965 when new specifications will be written. State law requires transportation for pupils living 2 miles from school and supports transportation for pupils living 1½ miles from school. The committee permits pupils living 1 mile from school to ride generally because of lack of sidewalks, the nature of our outlying roads and the locations of route 1 and route 1A in town. We pay a fixed amount for transportation (actually \$5 for every child in town attending Grades 1 through 6 whether in a public or private school) and receive the remainder in State Aid.

### **Noon Lunch**

The noon lunch program under the supervision of Mrs. Evelyn Snell continues to be self-supporting and is really a sizeable operation. Four out of five people in the school operation participate in this program while the remaining one carries lunch for various reasons.

The following figures should give some indication of the growth and size of the lunch program: In September 1960, the average number of pupil lunches was 348 — September 1964 was 431. In September 1960, the average number of half-pints of milk was 451 — September 1964 was 586. The net worth as of October 1960 was \$1,822.27 — October 1964 was \$4,543.65. Expenditures exceeded \$21,000 and over \$7,200 was received in National School Lunch and Special Milk funds from the Federal and State governments.

Mrs. Edythe Stafford resigned to accept a position at Wrentham State School. Mrs. Ruth Cooney and then Mrs. Muriel LaPorte replaced her. Mrs. Mary Snell is also working on a part time basis. Additional help will be needed when the new school opens but the program should continue to be self-supporting.

### **New Accounting System**

The State Department of Education, in conjunction with the U. S. Office of Education, introduced a new accounting system effective July 1, 1963. All reports and, needless to say, all State Aid programs are based on this system. To compare past costs with present accounts is a very difficult and time-consuming task. Extreme care should be used if this is attempted and an honest comparison is desired. The new system will give a much clearer picture of where school money is spent than our old system. The 1965 budget request is compared to 1964 costs which are the only true figures available for comparison.

### **School Physician**

Dr. John T. Cotter

All of the children in Grades 1 and 4 have been examined during the Fall of 1964. The general health of the children is good. No serious defects were noted. The usual number of enlarged tonsils and adenoids were noted and the parents notified — this was more prevalent in the first grade students. There were a few cases of poor posture reported and correction suggested.

It is planned to have the children participate in a tuberculosis screening test in conjunction with the county in the Spring.

I wish to thank Mrs. Pray, R.N. for her able assistance to me and to thank the faculty for its cooperation.

### **Dental Hygiene**

Miss Patricia Fowler

A total of 297 children participating in the Tufts Dental Research Program were examined and X-rayed during 1964 by Dr. Spencer N. Frankl. A breakdown of the exam results appears below:

24 children had decay-free teeth.

228 children had decay on one or more permanent teeth.

14 children had decay only on primary or first teeth.

31 children needed immediate dental care if their teeth were to be saved.

The dental X-rays taken each year are available for the family dentist upon parental request. Twenty-five children borrowed their X-rays.

Since the start of the Tufts Dental Program four years ago the dental health of the Plainville children has constantly improved.

### **Speech Therapy**

Mrs. Mary L. Voegtlin

During the school year 1963-64 a one-day-a-week program of diagnostic and corrective work was carried on in speech therapy. Twenty-six pupils were enrolled with three being discharged as cured by June, 1963. Diagnoses varied from hearing loss to stuttering. The majority fell into the category of articulatory defects. Newly instituted under a research

program of para-orthodontic service was a corrective procedure for tongue thrust and reverse swallow.

A program was presented in the Spring for the three lower grades to demonstrate new speech skills.

In 1965-65 there are thirty-three pupils enrolled to date. One new diagnostic category is hypernasality. All first-graders were tested for speech defects this year for the first time. By splitting the one-day-a-week into two half-days, it has been possible to see the advanced group twice a week, thus shortening their therapy by one-third. One child has been discharged since September.

Some of the 5th and 6th graders are finding an added incentive to improving their own speech by listening to and helping the beginning class members. All groups are homogeneous this year rather than by grade levels.

Since June 1963 no students with speech defects have entered King Philip Regional High from Plainville Elementary School.

### **Library**

The school library has been operated by the P.T.A. mothers under the direction of Mrs. Lois Nelson. We have over 1600 volumes in the library now and every child benefits from the library program. The town owes a debt of gratitude to Mrs. Nelson and the mothers who give of their time to keep the library open.

### **Summary**

The 1964 year, which included parts of two school years, is the last relatively simply year for the Plainville Public School System. It has been a good year but there is always room for improvement. The continued cooperation between the appointed and elected officials of the town will be more necessary than ever before.

I wish to thank the school committee, school personnel and all persons who have contributed to this successful year. In closing, I plead that all citizens really get behind a program that will give all Plainville children an educational program second to none.

Respectfully submitted,

CARL W. GREEN, Superintendent

Regular Meeting of the School District Committee  
Every first and third Monday at King Philip Regional  
High School  
at 8:00 o'clock p. m. sharp

**KING PHILIP REGIONAL SCHOOL DISTRICT COMMITTEE****Wrentham, Massachusetts****REPORT OF CHAIRMAN**

The year 1964 was notable for the many changes effected at King Philip Regional High School by a diligent and conscientious School Committee.

In order to bolster the standards at King Philip, the School Committee secured the services of a new Principal, a new Guidance Director, and at this writing is negotiating for a new Superintendent.

Every effort was made during the year to keep spending at a minimum, thus reflecting a reasonable budget for the District. The budget has been, and will be, of prime importance to the Committee. Teacher salaries were raised from a minimum of \$4700 to \$5000, according to State law.

It was certainly gratifying to the Committee, after months of effort, to have the three Regional towns allocate funds for a new junior high school. Immediately upon approval of this project, the Committee embarked on the actual building program and at present is busily engaged in completing plans and specifications. Our goal is to have the new junior high school ready for occupancy in September, 1966, thus alleviating the over-crowded conditions at King Philip High School.

Although regular School Committee meetings are scheduled twice a month, meetings during the past year actually averaged about twice a week, due to the heavy work load. I wish to personally thank and commend the Committee for their fine attendance record in the face of great demands on their time. I also wish to congratulate the Committee for not standing still when responsibilities were awesome and important decisions had to be made.

Changes in the curriculum, upon recommendation of our new Principal, have been made and more are being contemplated in order to perfect our educational standards.

I wish to thank the administration and all those associated with the school for their cooperation and loyalty during this past year.

Respectfully submitted,

ROBERT S. CARR

Chairman, King Philip Regional

**REPORT OF THE PRINCIPAL  
AND ACTING SUPERINTENDENT**

King Philip Regional School District Committee

Citizens of the District

It is with pleasure that I submit my first report as the Principal of the King Philip Regional School. I should like to call attention to the fact that this report is based on the developments since September 1, when I assumed my duties in the region.

I have been very much pleased with the interest, efficiency, and professional competence of the members of the King Philip staff. I have found them willing to work beyond the call of duty in an effort to better serve students and the regional community.

King Philip opened this year with an enrollment of 1324 students, the greatest number ever in attendance at the school. With the projection of even larger number destined for King Philip in the future, a planned program of expansion is vital. To aid in the implementation of this program, the school committee proposed, and the member towns in the region voted, to build a new Junior High School in Norfolk. It was also voted to purchase an additional tract of land in Plainville as a site for

possible future expansion. The architectural firm of Haynes, Lieneck & Smith has been engaged to work with the school committee to prepare plans and specifications for the new school.

The school curriculum is now being reviewed to ascertain whether the program presently being offered, effectively meets the needs of the regional community. Along this line, at the close of the calendar year, reports were received from all of the department heads regarding the progress made in their department during this period together with plans for the coming year. Information on new programs under study, requirements for particular courses, and on techniques and materials introduced during the past year were included.

In an effort to provide a more efficient method of reporting to parents the progress of their youngsters, the marking system has been revised. Two new "Report of Progress" cards and a new, more detailed "Warning of Failure" card have been devised. Finally a new N. C. R. report card has been initiated to help eliminate the waiting period between the close of the marking term and the issuance of report cards. In conjunction with the revision of the reporting system to parents a new and more comprehensive summer school policy is being developed.

A new attendance system is now being used in an effort to simplify and yet provide a more efficient method of pupil accounting.

To aid in achieving our goal of providing the best possible education for the students of our region, an efficient, effective guidance department is an absolute necessity. We are extremely pleased to have obtained the services of Mr. Francis O'Regan as Guidance Director as of November 1, 1964. In the short time he has been with us a number of constructive changes have been effected both in the physical setup and in the policies of the department.

My sincere thanks to the members of the Regional School Committee, to Mr. Walter White, Assistant Principal, and to all of the staff at the King Philip Regional School.

Respectfully submitted,

CHARLES L. MANOS, Principal

Acting Superintendent

**YEARLY REPORT**  
**KING PHILIP REGIONAL VOCATIONAL**  
**HIGH SCHOOL FOR 1964**

The King Philip Regional Vocational High School graduated fourteen students in June 1964. There were eight from the machine shop and six from the carpentry shop. All graduates were employed or in the armed service before or immediately after graduating.

There were sixty-eight students enrolled as of October 1, 1964. Forty students in a doubled carpentry division and twenty-eight in a single division in machine shop training.

The doubled carpentry division allows the first and second year students to receive training in shop carpentry and mill work while the third and fourth year students are being taught house carpentry out on the job in conjunction with our building program.

On June 14, 1964, an open house was held at the site of the fourth new home constructed by the carpentry division. Again, as before, there was keen interest shown by all those who made a visit to inspect the work done by the students. Again there were favorable comments received in regard to this type of an educational program and on the fine quality of workmanship displayed. The students are now well under way in the construction of their fifth new home in the region.

The carpentry students in the shop continue to gain valuable trade knowledge by completing many jobs throughout the school year. These jobs are done for schools, municipal departments, churches, charitable organizations, students, teachers, and anyone interested in having work of suitable instructional value done by the students.

The machine shop department works in a similar manner by doing jobs adapted to the machine trade. Besides doing work for other departments, the students turn out many different machine shop tools during their four year program. For training purposes each of the school projects are assigned to them in order of difficulty so that they advance from the simple to the more complex. The tool that is made by the students belong to them for the cost of materials involved, and by the time they graduate they will have obtained a sizable number of machinist's tools.

During the coming year the machine shop department is looking forward to some additional new equipment that will enable them to develop an even more complete program of training.

It is expected that the carpentry division will construct an enclosure in the corner of the machine shop that will be equipped with up-to-date testing equipment. This will constitute a very worthwhile addition to our present machine program.

In last year's report I recommended that it might be advisable to determine the feasibility and need of expanding our vocational program even to the extent of forming a separate regional vocational technical high school. As a follow up to this recommendation a meeting was held with school superintendents representing eight communities and a supervisor from the Vocational Division of the State Department of Education.

As a result of this meeting a survey of the area is now being carried on by the State Department of Education to determine the needs and the advisability of forming such a school. It is hoped that this survey will be completed so that the results may be presented to the public at their next regular town meeting.

Under our present program at the King Philip Regional Vocational High School we shall continue to serve the needs of the youth in the region to the best of our ability.

Respectfully submitted,

PRESTON I. TITUS, Director

## **ADULT EDUCATION YEARLY REPORT FOR 1964**

This year there are twenty-five different evening classes being conducted with a total of approximately 370 adults.

The evening classes are divided into four categories and each includes the following courses:

- I. Vocational Evening Trade Extension: These courses are for those who are employed at the trade but wish to learn more about it and become more proficient. The courses being held

are machine shop practice, which is held for 120 hours; and machine shop blueprint reading and math, which is held for 80 hours.

- II. Vocational Practical Arts: These courses are designed to help people in home making and a more satisfying use of leisure time. Classes being held are in beginning and advanced sewing, rug braiding, knitting, decorative painting and rug hooking. All the Practical Arts classes are in session for 60 hours.
- III. Vocational Apprenticeship Carpentry: This course offers classroom instruction in related math, blueprint reading, estimating, architectural drafting, house framing, and trade science. This course is for men who are serving an apprenticeship or learning the trade. It is held for 150 hours each year and the complete course is for four years.
- IV. Academic Classes: The classes being held this year are in typing I and II, bookkeeping, office machines, oil painting, psychology, sketching and painting, algebra I and II, beginning and advance first aid, English, and income tax returns. All of the academic classes are in session for 40 clock hours except the first aid and income tax course. Each of these is in session about 20 hours.

Several of the Academic courses are offering credits that are acceptable to the State Department of Education, Division of University Extension, and may be applied toward a state high school diploma.

There seem to be more adults each year that are taking courses so that they may earn a state high school diploma.

The King Philip Regional District will continue to promote education not only for the young people but also for the adults who desire to continue their education.

**KING PHILIP SCHOOL DISTRICT****Wrentham, Massachusetts****“NO SCHOOL SIGNALS”**

The sirens in Wrentham, Sheldonville, Plainville and Norfolk fire stations will be used to sound the signal. The “No School” signal will be:

**2 BLASTS — 4 TIMES**

Signal will have the following meanings:

7:00 a. m.—Omit session in Grades 7 - 12.

“No School” signals will be used only when weather conditions are unusually severe, or in cases of emergencies. The scattered population of the district and the extensive pupil transportation system make it necessary to sound the signal, if at all, a considerable time in advance of the opening hour of the school session. It occasionally happens that weather conditions which appear promising at the hour the signal should be sounded become severe by the time many pupils start for school. Parents are requested to use their own judgment in such cases as to whether or not your son or daughter should attend a school session.

When school sessions are to be called off because of weather conditions, announcement will be made over the following radio stations:

**WBZ—Boston****WPRO—Providence****WEEI—Boston****WARA—Attleboro****WHDH—Boston**

Parents should tune their radios to these stations between 6:30 a. m. and 7:30 a. m.

Should it become necessary to dismiss school before the usual closing time, announcement will be made over the same stations.

## REPORT OF BOARD OF SELECTMEN

To the Citizens of Plainville:

The year 1964 presented many new problems to the Town. The opening of Route 95 northerly from the Rhode Island line to the Robert Toner Boulevard exit in North Attleboro in late October presented a terrific flow on Taunton Street (Route 152) to the Route 1 intersection. The Police Department cooperated by placing an extra traffic officer at the intersection of Routes 106 and 152 during heavy traffic periods. This condition lasted several weeks, until Route 95 was opened northerly to Route 1 in Sharon. No serious accidents occurred during this trying period, which is a fine tribute to our Police Department for a job well done.

The accelerated Dept. of Public Works water project was handled very efficiently during 1964. The only remaining phase of this huge project is the painting of the new one and a half million gallon water tank, which is scheduled for completion early this spring. The town was very fortunate in having this project in operation at a time when the water table was at a very dangerous level. The operation of the new well on the east side of town possibly prevented a serious water rationing that was fast developing.

A Housing Authority was established to look into the feasibility of low cost rental units for our senior citizens. We expect to show much progress on this program in 1965.

The new group insurance plan for Town employees was put into effect in 1964, with very gratifying results.

An Area Redevelopment Authority was established to work in conjunction with our Master Plan.

The Board of Selectmen agreed to sell twenty-two acres of land located on the northerly side of Messenger Street to the King Philip Regional School district at a price of \$22,000. This is a site for a future Junior High School, as another phase of the King Philip Regional School system.

The Town voted to purchase the Garford property at the corner of South Street and Cottage Street at a cost of \$25,000. as a future site for the Fire Police Departments. No appropriation was necessary for this transaction, as it was handled as a transfer from the Sale of Land Account.

A new Elementary School was voted during the spring of 1964 and work on this project was started in May of 1964. The school is scheduled to be in operation in September 1965. The opening of this new school should alleviate the over crowding conditions in the Elementary School system.

The Highway Superintendent and Selectman Miller have attended many area meetings in regard to the impact of Route 495 crossing the northern section of the town. The latest plans show that a full clover leaf will be installed in Plainville, where Route 495 crosses Route 1, at Belcher Street. From a location near George Street, the new Route 495 will cover 1.3 miles in Plainville to the Foxboro town line, just north of Mirimichi Street. A bridge will be built in Foxboro to carry the Mirimichi Street traffic. Route 495 will then continue easterly to connect with Route 495 to Foxboro.

The low bid of the Chronicle Printing Company of North Attleboro was accepted for the printing of the Town Reports. The bid of \$7.65 per page was the lowest of three bidders.

Again we wish to thank the Town Departments and the citizens of Plainville for their excellent cooperation during this past year.

Respectfully submitted,

MILES E. HOOKER, Chairman

LeROY B. WILSON

RAYMOND V. MILLER

REPORT OF BOARD OF HEALTH

To the Citizens of Plainville:

The Board of Health was very busy with new problems in 1964. The acceptance by the Town of minimum requirements of the State Board of Health in regard to both sewage installations and additions to present sewage installations should alleviate many sewage problems that have plagued the Board of Health for many years. The following is the procedure followed by the Board of Health. An application is filled out by the applicant and forwarded to the Board of Health, the Sanitary Inspector, Putnam Steele, is notified and an inspection is made by him. His requirements are typed on the back of the application and made a part of it. The building inspector then issues a building permit and the completion of the sanitary requirements are checked as the building progresses. The building inspector then issues a building permit and the completion by the sanitary inspector. His attention to these problems has been beneficial to the Board of Health and the townspeople.

Mr. Homer Shepard of North Attleboro was appointed as Plumbing Inspector by the Board of Health and an Article is in the Town Meeting Warrant to adopt the State Plumbing Code. The adoption of a plumbing code is a requirement by the Commonwealth.

The Board of Health has on file the following record of dangerous diseases:

Chicken Pox	10
German Measles	15
Mumps	18
Scarlet Fever	6
Dog Bites	25

The Board of Health wishes to especially thank the Highway Department for the excellent care of the Town Dump, and to all town departments and the townspeople for their cooperation.

Respectfully submitted,

MILES E. HOOKER, Chairman
